

The centre of Archbishop Justin's ministry, worship and hospitality

Lambeth Palace

[scroll down](#)

Lambeth Palace is the London home of the Archbishop of Canterbury, his family and two religious communities. It is the centre of his ministry, worship and hospitality.

The Palace is also used as an events venue for organisations and charities. During the summer the beautiful garden is often host to receptions and outdoor activities.

In the grounds of Lambeth Palace, you will find [Lambeth Palace Library](#), which houses the largest religious collection outside of the Vatican.
